Website

URL	https://www.theopenartfair.com/

Quick facts

- Company: The Open Art Fair
- Sector: Education, Sports & Culture
- Product / service: Website
- Type of data: Cultural open data
- Origin: Global

Description

The Virtual Art Fair is open 24 hours every day for online visitors. Visitors can contact the dealer in case they are interested in a piece of art. The contact details of the dealers are available on the tour through the exhibitors list. Visitors can look at pictures of art and wander around the digital art fair through different rooms with art pieces.

Benefits

- Online visitors can see famous artworks and enjoy art from their home.
- The digital channels can make the youth more interested in art.

THE OPEN ART FAIR
Antiques | Art | Design

How open data is used

Cultural open data is uploaded in the form of high-resolution images of art online and through a visual tour in collaboration with Immersion 3D. The art fair provides a platform for sharing information and images about art works with their employees and visitors.
