Quick facts

-  Company: Coursematch
-  Sector: Education, Culture & Sport
-  Product / service: Application
-  Type of data: Data from universities
-  Origin: United Kingdom

Description

Coursematch helps students explore their educational options, and helps Universities, Colleges & brands market to these students.

Benefits

-  Optimisation of schedule – Coursematch applies the latest academic theory to optimise users' schedule based on individual preferences and course availabilities.
-  Creation of a community – Coursematch allows students to connect with other students that consider the same university or courses.

How open data is used

Coursematch uses overviews of universities and their curriculums to match students' preferences with universities.
