Find a Race
Website

URL   https://findarace.com/

Quick facts

- Company: Find a Race Ltd
- Sector: Education, Culture & Sport
- Product / service: Website
- Type of data: Data on events
- Origin: United Kingdom

Description

Find a Race provides an overview of public sport events in various cities in the United Kingdom (UK). On their website, people can use filters and a search function to find their next run, swim, or ride. Various events can also be booked through the website.

Benefits

- Find a Race acts as a single access point for users to find information on all upcoming sport events with a clear overview.
- Event organisers can use the website to promote their upcoming sport events.

How open data is used

Event organisers provide Find a Race with information about their upcoming events, which is then presented on findarace.com.
