-  Company: FocusIreland
-  Sector: Population & Society
-  Product / service: Website
-  Type of data: Homelessness data
-  Origin: United Kingdom

**Description**

FocusIreland created a webpage focused on homeless in Ireland. This website represents the number of people who are homeless and relying on emergency homeless accommodation in Ireland.

**Benefits**

-  Improved awareness – FocusIreland visualises insights about homelessness in Ireland which improves knowledge about this topic in the society.
-  Detailed overview – FocusIreland provides information on broad topics, such as the number of young people homeless in Ireland, social housing units completed by local Authorities, and duration in emergency accommodation for families.

# FOCUS Ireland

**How open data is used**

FocusIreland uses official homelessness data that is produced by the local authorities. The data produced captures details of individuals in State-funded emergency accommodation, arrangements that are overseen by local authorities.
