Quick facts

 Company:	OGCIO
 Sector:	Government & Public Sector
 Product / service:	Service
 Type of data:	Public Sector Information
 Origin:	Ireland

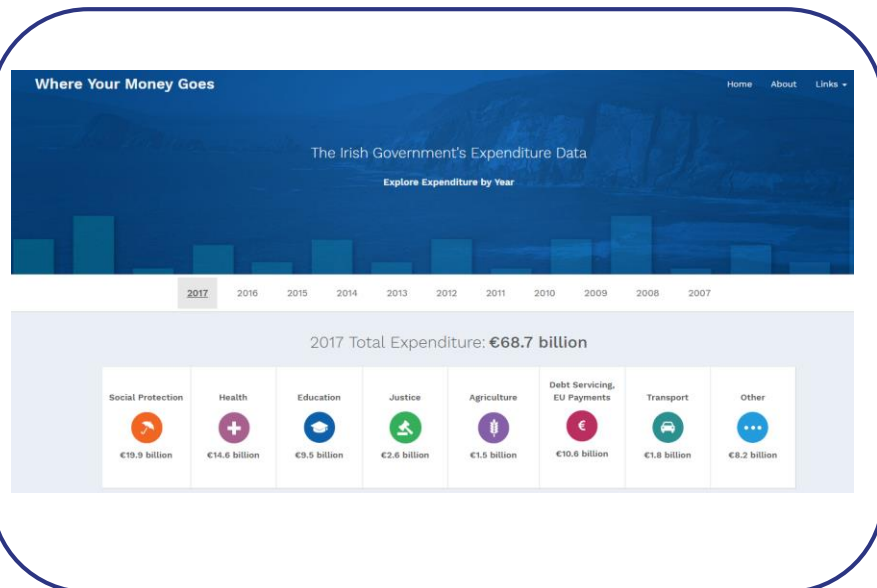

Benefits

-  The whereyourmoneygoes.gov.ie website is a graphical, easy-to-use tool. It will allow users to quickly drill into the various sectors that make up government expenditure.

How Open Data is used

-  The website uses Open Data available on the Irish Open Data portal: <https://data.gov.ie/dataset/voted-public-expenditure-1994-2015>

Other information

-  The data is presented in a variety of interactive charts, the elements of which may be clicked on to show a greater level of detail.
-  The figures shown on this site represent the gross voted and non-voted expenditure from 2007 to 2017.
